Change of provision at Hazelwood Nursery and Early Years for under 2s

This year, we have experienced an unprecedented demand for places for September 2016, particularly in our lower age groups. As a result, we have been re-evaluating our provision to enable us to accommodate as many families as practically possible, whilst still ensuring we continue to provide high quality care and education for all the children.

The outcome of the re-evaluation is that from September 2016 we will re-structure our Nursery and Early Years provision to provide:

1. Two Under 2s rooms named Fledglings (formerly Wrens and Wagtails)
2. Two 2-3 year old rooms (Robins)
3. Skylarks (3-4 years)
4. Three Oak classes (4-5years) - Reception year of school

The Fledgling rooms will be located in the current Wrens and Wagtails rooms with the youngest children likely to be grouped together. This is an exciting new development which allows us greater flexibility in providing excellent childcare and education for local families.
