

The Nutshell

Hazelwood School

The fourth Hazelwood Hero Bear Triathlon was an absolute triumph on Sunday and brought together the whole school community in an event which was blessed with glorious sunshine from start to finish. Pavilion pitch came alive from very early on Sunday morning as competitors and spectators arrived ready to take their place on the start line. At 9.30am the first adult swimmer entered the pool and they kept on coming until over 300 members of the Hazelwood community had overcome nerves and excitement to dive in at the deep end and begin their quest either for glory or survival! Thank you to the organisers, to the competitors and to the spectators. You all played your part in making the event such a resounding success, starting the term off with a loud and ringing BANG!

There were many highlights of the morning but one of the most compelling images was seeing adults (teachers and parents) running at the same time as some of the children, motivating one another, having a quick laugh and then continuing to the finish line. At transit areas we had parents, staff and children helping and supporting one another, all working towards the common goal to raise money for the charity. Some may consider whether they participate next time around, others may have been shamed into taking part. Whatever the result of seeing the blood, sweat and tears, I trust that the event will remain ever popular and firmly rooted in the school calendar. Keep collecting the sponsorship money – our fund raising total is nudging ever closer to the £100,000 for the four Hero Bear triathlons run to date. A special thank you assembly was held on Monday to show our appreciation to Mr Powney, Mrs Mylet, Mrs Dickens, Mrs Davis and Mr Wood who led the organisation of the event and ensured its impeccable and smooth running.

Well done to Charlie D for stopping to help Alex back up on his feet during the cycle part of the triathlon. Special mention too to Marcus L who arrived first to help and left last after all the clearing up had been done. Service beyond the call of duty but very much appreciated nonetheless.

The 4th Hero Bear Triathlon: September 2016. Let the fun begin!

Elsewhere the weekend had got off to an equally fabulous start with the Year 7 camp out. Boasting a distinctly western/cow-person theme, the children arrived dressed in Stetsons and other dubious south American headgear. They were given the chance to lasso a pair of cows (and inadvertently each other) on the top tennis court and to sit around the camp fire chewing the cud long into the night. Much fun and not much sleep, was had by all. Thanks to Mrs Phillimore for raiding the saddlery and to the other teachers who gave up their comfortable beds and their beauty sleep to ensure that the year started off with a Yee Haa! for the pupils of Year 7.

It has been the most exhilarating start to a new academic year and I have thoroughly enjoyed my first full week as Head. Bathed in sunshine, both sites have been buzzing with the sounds of excited and focussed children and learning. A few have needed an extra nudge to get to classes at a speed slightly faster than a chilled out, beach holiday pace but on the whole my job has been more about getting involved with them in lessons, praising their terrific behaviour and attitude and making plans for their most promising of futures. I have enjoyed meeting many of the parents at the Information Evenings held this week and I

trust that you will all feel able to approach me or any member of the staff team if you have a question or if we can help with a concern. On the main school site, the children are loving the Baily Building and through the glass, I can see them making their purposeful way to and from lessons. As the darker nights creep in, I cannot wait to see the corridors lit up against the blackening sky and to witness the children going about their day inside whilst autumn and winter weather buffets the exterior. This is yet another aspect of the building's design which I think will impress. On the nursery site the settling in continues. Whilst there have been some tears as children adjust to the new routine, I know that there have smiles, chuckles and cuddles too. Be assured that any frowns are quickly turned upside down as the day's activities unfold.

And finally, by popular demand, the parents' choir is returning to Hazelwood. If you enjoy singing, regardless of whether you can or cannot sing, please think about joining us. Rehearsals are likely to be on a Friday afternoon around pick-up and our first (and maybe last!) performance is as part of the Gala Concert being planned for the 9th of December. I would love to have a full strength choir so dust down your Aled Jones CD, turn up your diva controls and get practising in the morning shower. Full details appear later in the Nutshell.

For a list of emails/letters/texts sent home each week please see the 'Notice Board' further down the Nutshell.

News from The Nursery

The weather has been unusually hot and humid and the children and staff have coped admirably on some very sticky days. There has been lots of exploring and learning across the whole site. Fledglings 1 have enjoyed playing in the garden with water and sand play. They have explored different sensory baskets and are beginning to make new friends and become more comfortable in their surroundings. Fledglings 2 have built and painted a big red bus and made animals to go in the bus. They have also enjoyed getting messy with their foam and water play. A big thank you to all the staff but particularly those in Fledglings 2 for being so flexible and working so hard to ensure the children kept as cool as possible this week.

Robins have been colour mixing and pointing. They have explored what things they like and have loved exploring all the new dressing up clothes. Top Robins also enjoyed a trip down to the lawn area making the most of the whole site. I have been very impressed by the children in music this week and pleased how well they have listened and joined in. PE was also a great success and the children have been thrilled to be able to fully explore all the equipment in the Andre Hall.

Skylarks have been focusing on their 'All about me' topic this week. They have produced self-portraits, made playdough people and even begun to use the computer programme to

create family pictures. Their very first swimming lesson was a real success and all the children tried really hard and thoroughly enjoyed their trip on the minibus.

Oak have been creating their very own portraits and seeing how well they can write their names. They have also explored the 3 bears story and have drawn pictures about their favourite part. All of the Oak children were a delight during their first music lesson and their listening skills were amazing. Long may it last!

Thank you to all the parents who attended our Information Evening, it was lovely to see so many of you there. If you were unable to attend please do not worry, we will try and email out some relevant notes to you all next week.

Dates for diary:

Tuesday 20th September

Nursery & Early Years Reps' meeting.
If parents have any questions, please pass them to us via the year group reps. We still need a rep for Fledglings 1. If you are interested please let Amanda Twyman know.

Tuesday 27th September

Curriculum evening which will focus on phonics, reading and early maths skills.

Skylarks make a splash

On Monday afternoon, the Skylarks children had their first swimming lesson up on the Hazelwood site. All the children entered the water and enjoyed splashing the teachers to build up their confidence.

As part of our topic on all about me, the children have been painting self-portraits. They all used mirrors to make sure they were using the right colours for all their features.

SCARECROW COMPETITION!

As part of our Harvest celebrations, all Nursery and Reception families are invited to make a Scarecrow at home and bring in on either Monday 3rd or Tuesday 4th October.

(Only one entry per family please)

There will be a small prize for the best entry and all scarecrows will be displayed around the site for a week. Winners will be announced on Wednesday 5th October.

If you have any further questions please contact Jane O'Keefe, Nursery Manager

Year 2 took their science lesson out into the sunshine on Tuesday. Using water sprays, less to keep cool, than to replicate the action of sneezing, the children measured the distance that a sneeze can travel and considered all the reasons why it's polite to put your hand over your mouth when sneezing. They discussed the carriage of germs and why a tickly nose could trigger a sneeze. The longest 'sneeze' was 6.5 metres long!

What are the strange instruments being played by Y3 called?

Year 3 get the pbuzz out of music making

As part of our exciting programme of new musical opportunities at Hazelwood, 3R began playing the pBuzz today in their class music lessons with Mrs Roe. These new musical instruments are plastic, lightweight, and designed to give our children the opportunity to experience playing a brass instrument in an easily accessible and fun way.

Check out these instruments on www.pbuzz.co.uk .

If your child would like a brass taster lesson with Mrs Yelf following this instrumental introduction please contact Mrs Sara Young Acting Director of Music on youngs@hazelwoodschoo.

And there's more...!

We are delighted to confirm a Body Percussion Workshop with Ric Ellsworth on Wednesday 28th of September for Years 2 and 3 - it's going to be a 'fun-tastic' day!

Thank you for your kind support,

Sara Young
Acting Director of Music

Just a quick note to say a huge congratulations and thank you for organising such a fantastic event. All the attention to detail you had put in made it such a fun, exciting, happy and seamless event. All the participants and spectators had a great time - although clearly less exhausting for the spectators.

Thank you to you and all your team and all the groundsmen and staff at school who made it such a wonderful event. I can only begin to imagine the endless hours, stress, sleepless nights that you (and your team) have put in. Thank you.

It really was a day to remember and to think all in the aid of charity as well!!

Keeping it in the family

The Twymans made the 4th Hero Bear Triathlon a family affair – Mrs T's bro and sis and other halves and all their kids joined in.

They all had the best day and thought the event was fantastically run, with an amazing atmosphere and just the right level of competition - a brilliant Hazelwood event!

Praise indeed from the mother and daughter combination who were the inspiration behind the first ever Hero Bear 7 years ago.

GALA CONCERT IN THE BAWTREE HALL

(BAILY BUILDING)

FRIDAY, 9TH DECEMBER

As you will have seen in the School Calendar, the Grand Opening of the Baily Building will be taking place on Friday, 9th December at 7.00 pm with a Gala Concert. Mrs Louw will be coordinating the adult choir and would welcome any parents who would like to join her and perform at this special occasion (no singing experience or talent needed, all welcome!) Rehearsal times are to be confirmed, but are provisionally scheduled for Friday afternoons prior to pick up. Please email to headspa@hazelwoodschool.com if you would like to join Mrs Louw!

CAROL SERVICE AT TONBRIDGE

TUESDAY, 13TH DECEMBER

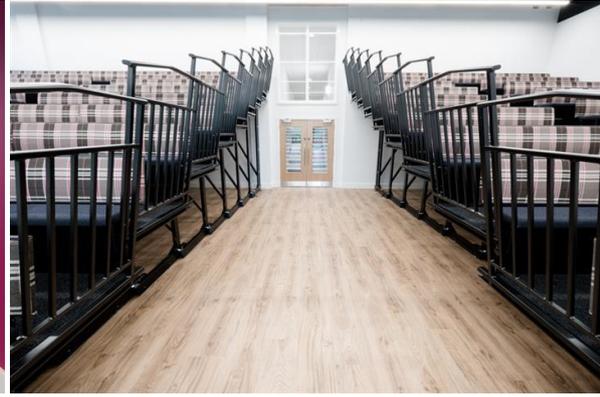

CALLING ALL ALTO, TENOR and BASS SINGERS – WE NEED YOU!

The adult choir is an integral part of our annual Carol Service being held at Tonbridge School on Tuesday, 13th December and is taken by Mrs Louw. Weekly rehearsals are held on a Thursday and will start after half-term at 5.00 – 5.45 pm in the Chapel. If you can spare some time, please join us and email to headspa@hazelwoodschool.com. We do understand that Choir members may not be able to attend all rehearsals due to work commitments and printed music and CDs will be provided. Mrs Louw looks forward to hearing from you!

"10/10 for the double stream pick up! The road is clear outside school and yesterday I queued for 3 minutes, today I drove straight in, compared to two waits of 12-15 minutes last week and two very grumpy children (and mum). Overall, a great improvement, thank you!"

Inside the Baily Building II

Thanks again to Moya Slade for taking these wonderful shots of the Baily Building. They really capture the sense of space and calm which pervades the corridors and classrooms. If you want to step inside the building and have not had the chance so far, look out for details

Please note that LAMDA lessons now have a permanent home. Ms. Gash can now be found working her magic on the first floor in what was last year's 5C classroom.

of further tours which are being offered in the near future. If you cannot wait and want to see it NOW, contact Nick tappin on bursar@hazelwoodschool.com

EUROPEAN LANGUAGE DAY ANNOUNCEMENT:

Years 7 and 8:

The language competition **is back on!**

Starting date Wednesday 28th September, until Tuesday 4th October 2016.

Your French teacher will give you your username and password details.
You will also be able to check them on HALO.

Que le meilleur gagne!

LEAGUE OF CHAMPIONS
2016

28th September 08:00 – 4th October 15:30 UK time

- compete against students from across the globe for top spot
- real-time leaderboards to track the action as it happens
- over 630 school and student certificates to play for
- improve your foreign languages vocabulary at the same time
- top 25 students in the school will be certified as Genius

Year 8 trip to Rome and Sorrento

The new year 8 began the academic year with a fantastic trip to Rome and Sorrento. Unperturbed by the 5am meeting at Gatwick and torrential rain on arrival in Fiumicino, the children covered many kilometres in Rome, taking in sights such as the Colosseum, the Piazza Navona and the Roman Pantheon. The highlight for many in Italy's capital was the phenomenal ice cream; choosing from 150 flavours was the biggest challenge that we faced on the trip.

The Sorrento leg was a great mixture of culture and relaxation. Pompeii and Herculaneum captured the imagination of the children, giving them a real insight into how the ancient Romans lived their lives. We were also able to walk to the summit of Mount Vesuvius with perfectly clear skies; a first for this Classics teacher. The children bonded fantastically on the trip; it was wonderful to see them gel as a group, learn, and above all have a large amount of fun. Huge thanks to Miss Wills and late substitute Mrs Brighting for their enthusiasm and invaluable support on what was a magnificent trip.

**Kate Tulett's
Art Workshops
October Half Term 2016**

“Art for All”

Mon 17th – Wed 20th October

Mon 24th – Tue 25th October

Year 7 CE Information Evening Thursday, 22nd September

A reminder, if you have not already done so and wish to attend, please send a confirmation to theadspa@hazelwoodschool.com Thank you.

Lower School Information Evening

Thank you to everyone who came along to the Lower School Information Evening. The weather was kind and refreshments were enjoyed on the Baily Building Terrace overlooking the view. Mr Walton has hosted a summary of some of the key messages from his presentation on the Parents' section of the website. Please follow the link below.

<http://www.hazelwoodschool.co.uk/parents-244/>

Parents are also reminded that LAMDA and music timetables are hosted in this area of the website too on a weekly basis. Please see the right hand menu for the tabs which will take you directly to the information you may need for the completion of your child's weekly activity timetable. Thank you.

Year 3 are resourceful, resilient and ravenous!

In the lovely September sunshine last Friday, Year 3 went out into the grounds for a team building afternoon. The children thoroughly enjoyed themselves and it was just fabulous to see them laughing and working together towards a common goal. Mrs Roe's group took on the challenge of the human knot. It didn't involve any rope at all but instead children holding hands (but not with the person next to them) and trying to unravel themselves. Much hilarity was had as they tried not to let go of each other! Mrs Ford's activity involved children going through a shark infested river where they could only stand 2 at a time in a hoop! They also had to organise themselves in height order without speaking- this was a challenge for 20 very excited year 3s!

Mr Kemp's group spent the afternoon constructing 3D model villages from natural materials found in the woods. The maps were incredibly detailed and varied. They included; rivers, bridges, houses, roads, a large monolith, football stadiums and... a giant bird's nest (why not). The new Year 3s were exceptionally resourceful and worked hard in their groups sharing out responsibilities and producing some fantastic models.

Thank you to all the parents who bought in food, it was very welcomed by the children. We were very impressed by their manners and their behaviour. Finally, it was time for a little 'r n r' as they settled down to watch 'The Lorax'

We had all had a thoroughly fantastic time. Can't wait until High Ashurst!

The Year 8 prefects enjoy an early morning breakfast with Mrs Louw. The children shared ideas for the year ahead.

Some more Hazelwood pupils hungry for breakfast were the children of Oak Reception who retold and acted out the story of Goldilocks and the Three Bears. For them there were no bacon sandwiches and croissants. Instead they tucked, somewhat grizzily, into bowls of porridge; one too hot, one too cold and one just right!

Hockey: Early Season Success

Well done to all girls that have been training and playing matches in the last 2 weeks. The Year 3s have been very excited about wearing shin pads and gum shields for the first time and their dribbling skills are really coming along. We have been making the most of training at the Edenbridge astro with our older girls and this has helped us on our way to some excellent victories in our first matches.

Well done to the U13 A team for winning their first game against Radnor House 5-3. The U10 C and D teams were also both victorious with a 3-1 and 2-0 win respectively against Lingfield Notre Dame. Our team of the week however, goes to the U10 A team (pictured below) with a super 9-1 victory against Lingfield Notre Dame. Regardless of whether we have won or lost, all girls have worked really hard in training and are really starting to improve their skills. Well Done!

Well done to Olivia for being awarded the Oxted & Limpsfield Cricket Club's U9 Manager's Player of the Year. She received the trophy last Friday and hasn't stopped smiling since.

This handsome bear is a Blazer Bear proudly crafted out of Hazelwood uniform and merit badges. He brings his owner much joy and is a permanent reminder of happy Hazelwood days.

HPA

HPA Annual Quiz Night - Thursday 29th September - 7.30pm for 8.00pm

The annual HPA quiz night is nearly upon us and the HPA hopes that you will support this "free" social event. Put together a table with your year group or other parents across the year groups up to a maximum of 10 people for each table. It is a lively and very informal evening which is a good way for parents to meet up and also for new parents to integrate with their year and form reps with or without husbands/wives etc.

QUIZ NIGHT

Thursday 29th September

7.30pm for 8.00pm

Hazelwood Dining Hall

Maximum of 10 per team

Put your own team together
If you do not have a team to join, we will find you one!

Bring your own food and drinks to enjoy at your table

To enter your team, please email Sasha Latter on
sasha@mitchellstephenson.com

Boden Party

Monday 3rd October

20% off everything
plus free delivery and free returns

Please put the date in your diary for the return of the Hazelwood Boden party.
The new Autumn and Winter ranges will be TOSH on that day.

The party ordering code will be available to all Hazelwood and Nursery parents, children and staff so you can enjoy the benefit of the discount even if you cannot get to the party itself.

Boden will pay free commission to the HPA on anything ordered using the code so this is a great fundraiser for the HPA and a good discount for you too!

Please save up your new season Boden order until then as the discount at the party can't be beaten!

The tables are made up of a maximum of 10 participants and each table brings along their own food and wine to share. The evening is from 7.30pm with an 8.00pm start finishing around 10.00pm.

The event is capped at 12 tables in total, so be sure not to miss out and get your table names in to Sasha Latter, HPA Chair, on sasha@mitchellstephenson.com as quickly as possible. If you would like to come along but do not have a table to join, please email Sasha and we can find a table for you to join.

We hope to see you there!

HPA Boden Party - Monday 3rd October - 3.00pm - 5.15pm

The HPA will be holding another Boden Party on Monday 3rd October. The new Autumn and Winter ranges will be TOSH on that day for you to see and try on.

The party ordering code will be circulated to all Hazelwood and Nursery parents and staff so you can enjoy the benefit of the discount even if you cannot get to the party itself. The code can be used on orders placed on 3rd October and for several weeks afterwards.

Boden will pay free commission to the HPA on anything ordered using the party code so this is a great fundraiser for the HPA and a good discount for you too!

Please put the date in your diary and save up your new season Boden order until then as the discount at the party can't be beaten!

HPA AGM - Tuesday 11th October - 8.00pm

Please come along to hear about the events run and funds raised over the past year and the plans for this coming year. We would also like some more people to come on board to help

out with events so, if you are interested, please do come along or contact Sasha Latter on sasha@mitchellstephenson.com .

Christmas Fair - Saturday 3rd December - Last call for stallholders

There are just a few spaces left for stallholders at our fabulous and festive fair. If you would like to book a place for a stall at the fair and have not already done so, please contact Marese Gildersleeve as soon as possible on maresegildersleeve@me.com

News from the Kitchen

Please don't forget that the new menus for both Hazelwood School and the Nursery & Early Years are now on their respective websites under The Parents' Sections.

Music Timetable

The weekly music timetable can be viewed on the Music Notice Board outside the Dining room in the courtyard. I will endeavour to have the coming week's music timetable on the notice board by the end of the school day each Friday. Please ensure that your child brings their instrument and music in on the relevant day. It is also important for them to take these books and instruments home when they do not need them in school.

Sports Department

Match Reports should be taken to Mrs Greenwood or emailed to her on headspa@hazelwoodschool.com ahead of assembly on Monday morning. If your child is nominated as captain, please encourage them to write the report in time for the assembly. The children do like to share their successes with the rest of the school. Thank you.

21-0 to Mr MacDougall

Mr MacDougall's teams are sitting high this week after cumulatively scoring 21 goals and conceding none! Across the board, this week has been an excellent one for the Hazelwood football and hockey teams with some notorious victories against tough opposition.

On Thursday the U9 boys won seven out of seven fixtures and the U8s followed suit winning all three of theirs making it a 10 out of 10 record. The U8As who secured a 4-2 victory over Solefield Prep are pictured in their post-match huddle on the left. Well done boys; keep it up!

Notice Board

Communication sent home this week

The following letters have been sent home. If you need a duplicate copy, please contact the School Office.
