

The Nutshell

Hazelwood School

Our final Jane Simister disposition this year is Risk Taking and on Monday John Surtees OBE, came to Hazelwood and gave a very informative and humorous talk to the children across the school from Years 1-8 about taking calculated risks based on knowledge and understanding.

Mr Surtees is a four-time 500cc motorcycle World Champion, winning that title in 1956, 1958, 1959 and 1960, and he was the Formula One World Champion in 1964. He remains the only person to have won World Championships on both two and four wheels. Mr Surtees is also a Hazelwood parent as his late son Henry attended Hazelwood and was taught by Mrs Dean and Mrs Addison.

Our children were enthralled with stories of John's early life and career, which included parting company with his motorcycle and whizzing past the winning bike without his machine, and finding unexploded incendiary bombs during WWII when playing behind his home. Mr Surtees also spoke to the children about how he became a racing driver and the characteristics such as perfectionism that he used to become the best in the world in his

Please remember to send your children into school looking their very best on Tuesday. Mrs Slade will be here for the annual photography shoot to mark a day in the life of Hazelwood School, Nursery and Early Years.

chosen field. It was a risk to move from motorcycles to Formula 1 but he rose to the challenge to become World Champion and so is a great example of a calculated risk taker.

There is a fabulous display in the school's Main Reception of all the calculated risks taken by the pupils at Hazelwood over the course of this academic year. Do take time to include it on your Open Day tours, or pop by and study it on another occasion. It is a wonderful example of the collective enterprise which pervades the school. The children are already prepared to take calculated risks - an attitude which is essential in our entrepreneurs of the future.

The staff at the Nursery took a calculated risk on Friday and went ahead as planned with the Robins' and Skylarks' Sports Morning. After the brilliant sunshine of Thursday, the British weather played true to form and threatened storms and isolated showers. But having practised for the event, nothing was going to dampen the spirits or enthusiasms of the staff and children on the early years site (apart from the odd storm and isolated shower!) It was a wonderful occasion and one of my favourites in the yearly calendar for the mixed looks of delight, determination and bewilderment which spread across the children as they make their way from one end of the running track to the other. I absolutely love the diverse motivations which allow some children to race to the winning line, encourage others to stop and wave to their parents (and why not) and inspire others to stop and join hands with their very best friend to run as a team! Priceless. I am sure that within their midst there were some future Usain Bolts – for me the morning is all about enjoyment and togetherness. There is plenty of time later on in life for the more serious side of athletics and competition to shine through.

This is equally true of the Oak to Year 2 Musical Activity Morning, orchestrated for the second time only on Friday, which filled the Chestnut building with sounds of instruments being made and played and music being enjoyed by our youngest pupils. The relative hush which had descended over the site since the departure of Year 8 and Year 4 on their residential trips, was shattered – in a good way – with the sounds of their laughter and impromptu performances.. It was lovely to see the children from the two sites combining so wonderfully and having such a fabulous morning together. I am confident that the event will become an annual highlight in the school calendar and that we are guaranteed many more mornings of merry music making.

For a list of emails/letters/texts sent home each week please see the 'Notice Board' further down the Nutshell.

News from The Nursery

The rain held off again for our annual Sports morning today. The Robins children excelled themselves with their running and throwing skills and their 'run to Mummy with a posy of flowers' race was a touching finale. Skylarks threw themselves into their races with huge gusto, showing wonderful team spirit in the egg and spoon relay. A very big well done to all who took part and to the hardworking staff, including the Prep School sports department, particularly Katie Wills and Lewis Menham who devised the plan for the races! The kitchen staff produced lovely refreshments too.

Thank you to all of our parents who attended the transition meetings this week and also for all your very positive comments, which were much appreciated by the staff.

Last week, Oak children visited Oxted train station and had a ride on the train to Hurst Green station, then they had their picnic lunch in Mrs Cusack's garden. Everyone had a great time

Well done to the Year 8 children on their Common Entrance examination results. Grades are in and there are some wonderful results as well as some personal bests of which the children can be justly proud.

and there was much excitement about the ride on the train and also seeing Mrs Cusack's house! Thank you to the Oak staff for their organisation of this visit.

Next week:

Monday 15th June Oak will be watching the Year 2 play.

Tuesday 16th and Wednesday 17th June Oak parents will be discussing their child's profile with the teachers. If you have not already signed for an appointment, the lists are in the corridor.

Tuesday 16th June Skylarks are looking forward to visiting Bodiam Castle.

U13 Rounders Tournament

This was an outstanding performance from the U13 team. Their concentration and focus over the course of six matches was impressive. They were by far the best batters at the tournament and our fielding was fast and accurate.

- v St Michael's Won 8-6*
- v Hawthorns Won 12-6*
- v C.O.L.F.S Won 6-*
- v Caterham U12 Won 15 -2*
- v Caterham U13 Won 7 -3*
- v Danes Hill lost 10-9*

We saw off all opposition until the last match where we made a few mistakes but fought back and very nearly beat the team that has won this tournament most years. A nail biting finish. I was very proud of all the players on the team, Bella bowled consistently well, Hannah was astonishing at both batting and back stop, Eva, Elin, Jim, Jade and Maud caught so many out in deep field and batted brilliantly. Millie got lots out on first, as did Bethan on second. This was our best performance in all my years of teaching here, thank you to all the girls for their commitment, resilience and talent!

Juliet Housego

Hawthorns Rounders Tournament 6th June

On Saturday 6th June the U11A team attended the annual Hawthorns Rounders' Tournament. 14 top teams from the South East attended for a great morning of competitive sport.

The team all played really well, their fielding was exceptional resulting in them winning all 6 matches in their section. We went into the semi finals and drew this game and just missed out on the finals as the decision was based on how many players were out and we had just 1

more than the opposition. After another draw in the 3rd/4th play off we ended up 4th as it went down to the number of no balls and we had 1 more than the opposition.

The standard of rounders was exceptionally high and the girls rose to the challenge and I look forward to seeing them play at the IAPS next Wednesday at Holmewood House.

Well done to Evie Hall, Harriet Alexander, Izzy Fletcher, Sasha Twyman, Eva Georgiou, Lucy Verdier, Francesca Riley, Pippa Seager, Annabelle Quessy, Emma Keckwick and Emily Ostler.

Mrs Lettington

Following on from his most informative and engaging assembly, Mr Surtees posed for pictures with some of the Hazelwood pupils.

Mr Surtees is pictured with Theo Jones who produced a TED report on the life of Henry Surtees and Fran Cross and Annabel Cooper-Fogarty who produced TED reports on the life of Mr Surtees.

We are very grateful for Mr Surtees' time and enthusiasm and are delighted that Kent Air Ambulance, who visited us in January and are particularly supported by the Henry Surtees Foundation, have benefitted from our support this year.

The Year 4 children were in high spirits as they got ready for their residential trip at Hindleap Warren. The weather has been perfect and reports back from the forest suggest that all has been going swimmingly well – including Mr Head whose impromptu early bath was captured on film and appears on the final page of this Nutshell!

The School Shop will be open Mon July 13th 9.30 - 11am for leavers to drop off unwanted uniform. Only new style uniform can be accepted. It will be sold on your behalf and monies returned to you after a successful sale.

Skylarks' Sports Morning 2015

The Skylarks' Sports Morning was watched by friends, family and members of the school's Year 7 who were on hand to lend a hand on what turned out to be a wonderful celebration of sheer determination and infectious charm.

Year 3 trip to Chiddingstone

On Wednesday 3rd June Year 3 set off to explore the ancient village of Chiddingstone. We started by visiting the lovely church where the local vicar gave us a talk about the history of the church and the village. There has been a settlement at Chiddingstone since the Iron Age and a church on the same site for over 1000 years! A large section of the church was destroyed by a fire when the church was struck by lightning in 1624! We had the chance to explore the church on our own and found some brass plaques marking the graves of the Stretfeild family who were the major land owners. We were allowed into the pulpit which at the time cost £4 and 10 shillings. We thought that was very cheap for such an elaborately carved piece of furniture.

After the church we carried out a treasure hunt looking for different things in the village. This included the chidding stone (we had great fun clambering all over that) a plaque telling us that the village had been given to the National Trust and a beautiful sundial above the church porch. Our final task was to complete a land use map. Mr Pilkington would have been proud of our geographical skills!

*Hazelwood School
Wolfs Hill

RH8 0QU*

Dear Reverend Beaumont

Thank you for showing us round the Church, it was amazing! The thing that really caught my eye was the Church kneelers, I loved the cool pictures. I also liked the stain-glass windows, with the pictures and the history about them was amazing! I never knew that the windows were replaced, they look pretty old. I really liked the masonry marks, I never knew that they couldn't write. I liked it when you talked about the black out, it was very clever of them to put up black curtains so that the people throwing the bombs wouldn't know where the houses were.

From Beatrice

Dear Reverend Beaumont

Thank you for showing us around your beautiful Church. I loved the great view. The kneelers were very pretty and I was very interested in the history of the Church. Chiddingstone village is very peaceful and quiet and a lovely site. I liked the Vinegar Bible it was very funny. The stained glass windows were amazing and had a story to go with them.

Chiddingstone Castle was absolutely amazing, but also the houses looked very interesting. I looked inside a shop with an open door and there was lots of cool stuff. The school looked great fun. I definitely loved the Chiding Stone. I was scared at the top because it was so high, but I really liked it. I really enjoyed my time in Chiddingstone and I hope I can come again soon.

From James Stephenson

The above letters were written by the Year 3 children after their visit to say Thank you to the Reverend Beaumont for his hospitality.

Congratulations to Jon Cooper who completed his cycle ride from Marseilles to Oxted last weekend. Jon was welcomed back to the Bull by friends and family and a cold pint of Guinness. He raised over £5,000 for the Northwood Foundation which has supported the Pancreatic Cancer Research Fund in tribute to Jon's brother Nick.

Athletes narrowly lose out but records fall

On Monday evening the U8 and U9 boys entertained Hawthorns in an enthralling Athletics fixture. There were some outstanding races throughout the evening. Thomas Higgins' narrow victory over Jack Jordan in the sprint and Callum Murray's battle in the 600m stood out.

As the event drew to a close the scores were extremely tight. So tight in fact, that the result was only decided by the very last race. Hawthorns eventually winning 99-91.

Special mentions go to Archie Triplow for stepping into the high jump at the last minute and coming away with the victory. Thomas Higgins for his all round performance and most noticeably Luke Danby who recorded 2min 5sec in breaking the school 600m record by a full 7sec.

For some of these boys this was the first time they have competed in an athletics fixture and they should all be extremely proud of their performances.

Please note that due to staff holidays next week's Nutshell will be an abridged version. If you have anything to include, and it cannot wait for Friday 26th June, please email it to bursarspa@hazelwoodschool.com See you again in a fortnight!

Forest Schools for Year 3

There was much excitement in Year 3 as everyone set off for a Forest Schools morning organised by Mr Walton. The first activity was to build an emergency shelter in the woods. Mr Walton gave us some useful tips for building the perfect shelter and the Year 3 pupils then rushed off to gather suitable building materials and some fabulous looking shelters were soon ready for inspection by Mr Kemp who had kindly volunteered to try them out. The next activity included making Marshmallow Cheesecake S'mores as part of Mr Walton's fire building activity.

The children learnt how to make an 'upside down fire' and were shown the importance of oxygen in fire building and then they eagerly put their ingredients on a stick to roast. Soon they were tucking into their tasty treat. Delicious! Our last activity was a game of 'Robots!' A large rope was laid out in a circle. Pupils worked in pairs with one person blindfolded. The blindfolded 'robot' was directed to cups of water that had been placed on the ground and then given verbal instructions in order to successfully throw it all over someone else! There were quite a few misses but a good number of hits and lots of laughter! A perfect way to end a sunny, action-packed morning!

Innovative way to stay cool, have fun and learn your numbers!

Mrs Roe's class were enjoying the sunshine whilst practising writing numbers with old washing up bottles. They squirted water from the bottles to write numbers on the ground. We were very careful and nobody got wet feet!

Music news

On Thursday June 4th the Trio, comprising Alex Stejskal, Henry Hilleard Rees and Eliza Percival put on a concert for Year 1 & 2 in Chestnut Hall.

Each of their pieces demonstrated different musical elements and the Chestnut children proved to be very knowledgeable in an interactive quiz between pieces which was designed to highlight different aspects of the music.

The programme included:

Sofka and Sam showcasing legato phrasing and dynamics

Divertimento showcasing the Classical style

Donkey Trot showcasing staccato and solos

Train to Truro showcasing telling a story in music, accelerando and rallentando

March by Telemann showcasing the Baroque style

The Trio acquitted themselves admirably and played their five pieces beautifully to demonstrate each musical element. Warm thanks go to Chestnut who were a terrific audience and to the Chestnut staff for their kind support.

Year 2's Butterflies and Year 6's Fairground Attraction are two more of the composite art pieces which will go on auction at the Ball to raise funds for The Community Fund. A special catalogue will be made available next week and the pieces will be on display w/c 22nd June. They are stunning and will be a wonderful addition to any room.

Robins' Sports Morning '15

The morning could not have gone better with sunshine and smiles all the way. Cheered on by their parents and members of the Hazelwood Sports' Department, the children showed that practice makes perfect as everyone gave of their all and joined in the fun. Brilliant!

Sporting Congratulations to...

Olivia Hudson for picking up the Coach's award for best all round player at a recent Oxted Cricket Club awards ceremony. And to James Munns who came second in the IAPS Golf Tournament last week. James' under-handicap phenomenal round earned the school 6th position in the team competition although he was our only player! James has his sights firmly set on the 'green jacket' next year. Well done to both our sporting greats!

Celebrating success! Your children are STARS!!!

In a recent School Council meeting the children were very keen that all the successes of the children both inside and outside school should be recognised. Throughout the year we have managed to capture in the Nutshell internal school successes and some achievements gained outside but the children are very keen that all should be recognised.

To this end the School council would like to do a display to celebrate the wide talents and achievements of the pupils. If your child has achieved something out of school this academic year please could they bring a photograph (perhaps holding a cup or certificate) and a brief paragraph explaining what they have done to 3J this coming Monday. Thank you on behalf of the School Council.

It's a tough choice but what is a girl supposed to do when the sun comes out and you have had a whole morning in the classroom. You can either celebrate the joys of summer by swinging care-free on the tree or you can collapse and soak up the rays in a uniform line with your friends. Luckily Catherine P decided to break the mould and can be seen swinging to create a breeze to keep her friends cool!

All the dancing clearly wore this young lady out!! zzzzzz

This morning Oak, Year 1 and Year 2 joined together for a morning of singing, dancing, drama and meditation. The children went on adventures to new planets on their spaceships, moved to lots of different beats and relaxed to the noises of the forest.

125 words by Alex Dean

Pupils, teachers, heads.

Days, weeks, terms,

Years.

Time drifts slowly overhead.

Always inspiring

Ambition, determination,

Confidence, ability, community.

History,

Chapters of me,

A constantly written story,

A song well sung.

Where will you take me?

Enrich these pages,

This score

With passion, opportunity

Curiosity, courage and

Enjoyment.

Write my future.

Learning ever underlines

my day, my challenge.

Winds of change

join with tradition,

generations,

a constant spirit,

ideals, standards.

Togetherness.

Bring them all,

Let them be seen

and heard.

Celebrated.

Flowers bloomed...

and gone.

Lost.

The quiet hush,

never forgotten.

New seeds, dispersed,
Ready to grow,
Burst forth with
New blooms.
The brightest palette,
dazzling, admired.
And now?
Ink the pages
with all remembered
from the past
for the future
and sing
with glorious colour.

This poem was written by Alex as part of his HECA (Hazelwood Extra Curricular Award) submission. He took his inspiration from past copies of the Lupercus. It makes a fitting celebration of the 125th school anniversary.

Music Timetable

The weekly music timetable can be viewed on the Music Notice Board outside the Dining room in the courtyard. I will endeavour to have the coming week's music timetable on the notice board by the end of the school day each Friday. Please ensure that your child brings their instrument and music in on the relevant day. It is also important for them to take these books and instruments home when they do not need them in school.

Sports Department

Match Reports should be put in the folder on the wall in the PE office. They are then collected by the captain on Monday morning to be read out in assembly. If your child is nominated as captain, please encourage them to write the report in time for the assembly. The children do like to share their successes with the rest of the school. Thank you.

Notice Board

Letters sent home this week

If you should have received one of the following communications, and it has past you by, please contact the school office for a copy of the letter. Thank you.

Year 8	Battle of Waterloo Activity (Leavers' Programme)
Year 5	Evacuee Day & Sleepover
Years 1-8	Victorian Day

Piano Wanted

The Neale family is looking to buy a piano for their children and are wondering whether anyone has one they are looking to shift. They are happy to collect and can be contacted on Mrs Neale's mobile number 0773-058-4389 or via email on shelley.neale@gmail.com

Childcare Service – Help Required

Hi I am looking for a pickup and drop off at the Hazelwood early years site or/and main Hazelwood site.

I have 2 children, a 7months old in Wrens (Early year's site) and 5years old going to Year 1 in September at the main Hazelwood site.

Basically I am looking for someone I could drop them with and who would be able to pick drop them off and pick them up.

Please if this is something you could do please contact me; my number is 07735006361 and email address; adebolaadefurin8@gmail.com

Key Events for Next Week

Monday 15th June

- All day ABRSM music exams
Swimathon week starts
0930 Year 2 play: technical rehearsal to Oak, Year 1 and Year 2

Tuesday 16th June

- All day ABRSM music exams
0815 Gala Concert rehearsal
0930 Year 2 play dress rehearsal
0930 Skylarks visit to Bodiam Castle
1300 Athletics: U11 & U13 at Tonbridge School (A)
1600 Foundation Stage profile meetings (individual parents)
1700 Governors' Board Meeting

Wednesday 17th June

- 1000 Year 2 play performance
1100 Rounds: U11A IAPS tournament @ Holmewood House (A)
1115 Year 2 to Year 3 transition meeting
1200 Cricket: Colts A Tonbridge 6 a-side (A)
1430 Cricket: 1st XI, Colts A & D v Solefield (H)
1430 Cricket: 2nd XI, Colts B & C v Solefield (A)
1430 Rounders: U11B v Rosehill (A)
1430 Rounders: U10 A & B v Rosehill (H)
1600 Foundation Stage profile meetings (individual parents)

Thursday 18th June

- All day Trinity music exams
0815 Gala Concert rehearsal
1430 Cricket: U9 A & B v Aberdour (H)
1430 Cricket: U8 A, B & C v Aberdour (A)
1430 Rounders: U9 A, B & C v Rosehill (A)
1430 Rounders: U9 A, B & C v Rosehill (H)

Friday 19th June

- 0900 Year 2 trip to the Ashdown Forest
All day Year 5 Evacuee Day with sleep over
All day Years 6-8 IAPS Athletics at K2 Crawley (A)

Saturday 20th June

- 0930 Athletics: U8 & 9 @ City of London Freeman's (A)

Sunday 21st June

- Am OAC Mystery Walk

Mr Head leads the way at Hind-LEAP Warren and cools off in the water after a morning of fun and games in the forest.

TENNIS TOURNAMENT

MONDAY 22ND JUNE

10.15 for 10.30-12.30

Limpsfield Tennis Club, Detillens Lane, Limpsfield RH8 0DH

Sponsored by: [Let There Be Cake by Leanne](http://www.lettherebecake.info)

Join us for a morning of tennis and a doubles tournament – whether you are an experienced player or a “rusty racket”. We will play a round robin/American tournament event so that everyone plays throughout the morning with different partners against a succession of different opponents. There is no need to enter with a partner.

Entry Fee: £10 per person (entries in advance please)
For further details or queries, please contact Lucy Stuart Lee at hazelwoodhpa@gmail.com

Please complete and return the entry form with payment by cash or cheque to “HPA” to the school office at Hazelwood or The Nursery.
