

# The Nutshell

Hazelwood School

On Wednesday and Thursday nights, Year 8 took me back to those halcyon days of young love and boy band crushes when they entertained two fully packed theatre audiences with *Totally Over You*. It was a performance full of spirit and courage as four, hitherto non singing and dancing boys from Year 8 were catapulted, courtesy of Mrs Housego's casting, into the founding members of Awesome, Hazelwood's answer to Take That and Boyzone. There were moments of joy, of pathos and of teenage intrigue. As always with the Year 8 play, aside from the leading cast members who all performed brilliantly, there were some compelling cameo performances the most watchable of which was Jack G's dancing in the shadows during the band's big number. Well done to the cast who pulled together the play in just a few weeks and to Mrs Housego for yet again bringing the curtain down on a stellar Y8 play. Special mention must go too to Zac who was called upon to handle the lighting and the sound as a technical team of one. All seemed to run smoothly and if there were technical glitches, they didn't show. As they say, 'the show must go on' and it did with style, panache and glow sticks!

Thank you to Mrs Slade for these wonderful photos which perfectly capture the mood of the piece. Details will be shared as to how to get hold of copies.

There was excitement of a different kind when Year 2 arrived at school on Wednesday to see a strange man dressed in a glittery purple hat with a cane and googly eyes standing in the car park. On reflection, it wasn't the man who was strange but his attire it was our very own Mr Walton posing as the fun-loving, chocolate-inventing Mr Willy Wonka. Aided and abetted by three fully grown Oompa Lumpas (aka Miss Wilson, Mrs Morgan and Mrs Trojanowski) Mr Walton took the children to a world of pure imagination and learning. Year 2's Day of Chocolate was a huge hit and rounded off a wonderful half term of learning all about the history, the geography, the design and the science behind our best friend and the dentist's worst nightmare! The project has been varied, inspiring and a huge amount of fun and is typical of the teaching staff going that extra mile to ensure that the children engage whole heartedly with their learning making it memorable and relevant. Thank you to the Year 2 team and to the humble cocoa bean for making it all possible.

And finally thank you to those parents who have been in touch with the school about the Operation Christmas Child campaign which the school decided to support for the first time this year on account of its mission to share Christmas with children across the world for whom this time can be a time of loneliness and misery. We were unaware of the historic concerns raised about the charity and its leaders suffice to say that further research has revealed that the Charity Commission investigated the workings of the charity over 12 years ago and as a result of their findings, the 'evangelising' leaflet which previously was placed inside the shoe box was removed in order to protect the recipient from feeling pressurised into any action other than enjoying the generosity of the gift in the spirit in which it was given. However, we do understand and appreciate that some parents may feel uncomfortable supporting a scheme which has had cause for investigation. As a result, we will continue to

collect the filled shoeboxes when we return from half term. For those families who wish to donate but wish to divert their gifts away from the Operation Christmas Child charity, we will distribute your kindness through our existing contacts at the Caterham Food Bank charity to equally deserving but more local families. We will review our involvement in time for next year's season of glad tidings.

Congratulations to the Cox family for their prize winning scarecrow in the Nursery & Early Years competition. The picture on the far left shows the stuffing of the scarecrow. Prizes also went to the following families:

Sturdiest: The Bennett Family (Oak), The Most Original: The Mackey Family (Oak), The Best Design: The Brockwell Family (Skylarks), The Head's Choice: The Woodward Family (Skylarks) and The Overall Winner: The Cox Family (Skylarks)

For a list of emails/letters/texts sent home each week please see the 'Notice Board' further down the Nutshell.

### **News from The Nursery & Early Years**

This week in the Early Years we have all been very green as we have fully immersed ourselves in our 'Eco week'. Not only have all the children assisted in creating our very own Bug Mansion, but we were fortunate to have a visitor working with the children creating recycled plant pots. The children then planted their own seeds which we are hoping will grow into broad beans. Skylarks and Oak learned about recycling and were very pleased with the Buster and Pong song we did in assembly. Hopefully the following link will enlighten you further <http://www.wastebuster.co.uk/teachers-bin/resources/video-library/play/6/114/Busta-and-Pongs-Recycling-Song>

The Wastebuster website has lots of interesting resources if your children are keen to find out more.

Fledglings 1 have been investigating their garden as part of the Eco week and also made a special outing to see their friends in Fledglings 2. They have also spent time investigating

noises and much fun was had with all the musical instruments and shakers. Fledglings 2 have been busy up-cycling plastic bottles and creating their very own rockets. The children also all contributed to creating a card for Anne Wise (one of our cover staff) to say thank you for helping to looking after us.

The children from Robins enjoying Eco Week with some planting

The children in Robins have also been finding new uses for old plastic bottles and have created bees, sensory bottles and shakers complete with lots of sparkle! The children have also ventured around the site collecting leaves and twigs for their display as well as creating some lovely prints and leaf rubbings.

Skylarks have had a week jam packed with Eco activities. The children enjoyed planting broad bean seeds in recycled paper plant pots. We have begun to collect our recycled items to build our very own water system that will recycle rain water to help water our plants. The children have collected fallen leaves, these have been used to make a wildlife area sign for the garden. The children have also enjoyed using the role play corner as a recycling centre.

Oak have, alongside their Eco activities, been exploring 'Room on the Broom'. There has been lots of potion making and dressing up and some of the staff even got turned into frogs! Fortunately the effects were short lived and everyone is back to their normal selves...until next time.

On a staffing front we are delighted to announce that Aimee Bence has joined our team and will be working in Fledglings 2 alongside the rest of the team. I am sure you will all make her feel very welcome.

It has been a busy, but very productive half term and it has been a pleasure to watch the children grow in confidence and skills. I have nearly mastered all their names, although it is definitely tricky when there are multiple children all with the same name. I would like to thank the whole staff team for all their efforts this half term. They have rallied on despite the bugs and germs and provided some fantastic opportunities for the children. For those of you travelling away during half term, I wish you safe travels and for those at the Early Years or attending Fun Club on main site I trust you will have a fun packed couple of weeks.

### Reminders:

Half term for Term Time children from end of day on Friday 14<sup>th</sup> October returning Monday 31<sup>st</sup> October. Nursery is open for Monthly children as normal for the next two weeks but there will be no Nutshell during this period.

Children should return to Oak Reception after half term wearing their winter uniform (blue logo'd polo shirts and school tracksuits with school shoes) and winter coats. Please ensure that all children come to the Nursery with warm coats after half term as it is getting chillier. Also please remember to send children in with named wellington boots.

Wednesday 2<sup>nd</sup> November – HNEY Parents Evening 6-8pm. Sign-up sheets are available in Oak corridor and the entrance of: Skylarks, Robins and Fledglings. Please contact the office if you are unable to sign up.

Thursday 3<sup>rd</sup> November – HPA Bonfire Night – pre-book tickets on [buytickets.at/HPAfireworks](http://buytickets.at/HPAfireworks) (password: glowstick) or via the the HPA Facebook page

The children in Skylarks have been throwing themselves into Eco Week. The boys took it upon themselves to take on the roles of workers at the Recycling Centre whilst the gardens were raided for natural materials to be recycled for a sign to direct visitors to the children's Wildlife Area.

Hazelwood School

**Birthday or celebration** coming up in  
November or December?

Hazelwood's Ice Rink is available for Private Hire, Saturday 3<sup>rd</sup> December between 4-6pm, either for one hour or both.

Chestnut Hall (next to the Ice Rink) is also available to rent as a party room during this time too.

Please contact Lizzie at [HazelwoodSkatingRink@gmail.com](mailto:HazelwoodSkatingRink@gmail.com) for further information.

Over half term the school is saying a fond farewell to Ali Jordan, a TA working in Chestnut and Colin Burke from the Estates Team. Ali's relocation to beyond Tunbridge Wells is making her commute too time consuming and Colin has taken up a position at nearby Caterham Senior School to broaden his experience. Both have given of their all whilst at the school and we wish them the very best for their futures.

### News from Hazelwood

**A huge Hazelwood welcome** to Rafferty R who arrived safely on Friday 10<sup>th</sup> October. A baby brother to Evie and Harry, Rafferty and his mum are both doing well.

**Congratulations to Hannah R** who took part in the Sussex Schools Cross Country event at the weekend. After a fortnight of intense competition at Hazelwood, Hannah was well prepared and self-belief was at an all-time high. Her confidence paid off and, representing East Grinstead Athletics Club Academy as an individual runner, she led from the start and courageously hung onto her lead to cross the finish line in first position (ahead of 188 other runners). Her time for the 2.4km course was a very impressive 9 minutes, 47 seconds. She has a shiny trophy to show for her efforts and a beaming smile which hasn't left her face! Her family and all at Hazelwood are very proud of Hannah's achievement.

Welcome to East Grinstead Athletics Club

Formed in 1978, we are a friendly athletics club where we all know each other and welcome all newcomers -

**Congratulations** also go to Luke D who has been selected to run for the Surrey Schools Athletic Association's Cross Country Development Squad. As well as being a mouthful of a name, it is a tremendous achievement and the school is both pleased for and proud of Luke.

Have a great half term holiday. If you are going abroad, travel safely. If you are staying at home, enjoy the time with friends and family. See you all in two weeks!

Many thanks for inviting us once again to watch your dress rehearsal - we all really enjoyed the performance and please pass on our congratulations to your Year 8 students as well. We will be using the visit to write a recount of the trip and the play and I will forward you a couple of them, once we have finished, so that you can show your students how much we enjoyed the performance. We are already looking forward to 2017's play.

HOLLAND SCHOOL, Hurst Green

As part of the school's G&T programme, four promising Year 6 textile artists were given the opportunity to attend a special event hosted by Box Hill School. As part of the afternoon, the girls met with A Level students whose work is propelling them towards careers in fashion and further study at the Internationally acclaimed Central St Martins. The children modelled some of the more scary creations before posing for photographs with which they designed a spooky front cover of a fashion magazine.

### **Blowing your own trumpet!**

As part of our 'Introduction to Brass Instruments' in Year 3 the end of 3R's Pbuzz unit saw Alice Yelf our brass teacher performing a brass experience for the children on Tuesday. Mrs Yelf demonstrated the similarities between the pbuzz and trombone and performed 'The Acrobat' to enthusiastic applause from 3R and Mrs Roe. Mrs Yelf then demonstrated the cornet playing 'The Hornpipe' which was familiar to the children. Mrs Yelf ended her performance with 'Mary Had A Little Lamb' which the children have been learning to play on pbuzz from notation this half term and she took a wide range of questions from the children about playing brass instruments. Mrs Roe is pleased that the pbuzz's will be having a rest and wash over half term ready for the next crop of Year 3 and Mrs Yelf will return to give more brass taster sessions to the succeeding groups of Year 3 later in the term.

If your child would like a brass taster session please contact Sara Young, Acting Director of Music, on [youngs@hazelwoodschool.com](mailto:youngs@hazelwoodschool.com)

## **National Poetry Day - Thursday 6th October 2016**

We welcomed the poet Chrissie Gittins to Hazelwood in the Bawtree Hall. Chrissie read from her poetry books and asked the audience to think about each poem and to respond to specific questions she had about each reading. Some of her poems were funny and clever whilst others were written as a plea to remember certain words from Nature which the Junior Oxford Dictionary had now removed from their current edition. Her latest collection; **Adder, Bluebell, Lobster - wild poems**, contains forty 'lost' words from the natural world. It was moving to hear her speak about these absent words, which have been replaced by 'technological words'. As a homage to some of these poems the catering staff had prepared special foods to taste incorporating beetroot, rhubarb, chanterelle mushrooms and lavender to name but a few. Chrissie was most touched by this display of culinary devotion and it marked a first for her as a poet, to have a school kitchen working with poetry. Hazelwood will long be remembered by this poet!

Chrissie took questions from the pupils at the end of her performance and sold and signed her books. Then it was straight into her first year 5 workshop. Each of the three Year 5 classes had an individual workshop and sat in a circle in the Bawtree Hall, with Chrissie facing them and a simple flipchart for writing ideas down. Everyone had a clipboard and paper and pencil for writing, but Chrissie warmed each class up with word games. It was a simple but successful way of getting each child to listen to words said out loud and to think about each one. In poetry, every word counts.

The first workshop created metaphor poems, the second message poems with children having to guess what item each of them had written about, and the third workshop in the afternoon was all about creating a pun poem, based on Chrissie's own poem: I Don't want an Avocado for an Uncle. All the pupils were encouraged to read out what they had written and to suggest words to use, thinking about how they could fit into the particular theme Chrissie had chosen. The Bawtree Hall was a wonderful setting for the workshops as it provided an oasis of peace and light with no other pupils around, and this was the first time a poet had worked within its very special space. So we made sure Chrissie knew she was 'christening' the space!

Chrissie is off to India for a month to collect ideas for future books, courtesy of a grant from The Society of Authors. She writes for both adults and children and no doubt we shall be seeing more poetry emerging which may well contain an Indian theme. We had a very

productive day with plenty of questions from our pupils and enthusiasm for her poems, which was heartening for both Chrissie and the staff. The theme of National Poetry Day nationally, was 'Messages'. A resounding message of the day was the way poetry can move children as much as adults and it is something we hope our pupils will carry with them through life: poems, which after all are messages in themselves, messages about all sorts of things from love to animals to whatever is inside one's head.....

As part of Eco Week the children in Oak made pots from recycled materials and planted a broad bean. They also had the opportunity to look at a variety of objects made from recycled materials such as sweet wrappers.

What has happened to Mrs Twyman? The witch from the story 'Room on the Broom' visited Mrs Taylor's class. Mrs Twyman was very cross that the witch had been flying over the Early Year's site so the class decided to make a potion to turn her into a frog! They all put special ingredients into the cauldron. The children were a little bewildered at the result, but were reassured that the magic would only last for a short time! The children were then inspired to write a list of ingredients for their magic potion!

We LOVE chocolate!

Year 2 had a marathon of a day on milky way Wednesday when they were immersed, not quite literally, in a Willy Wonka world of chocolate. Oompa Lumpas were on hand to help malteser make chocolate crispy cakes, to black magic build a chocolate castle (with lashings of collaboration) and to mars-ter the role of the chocolatier with tasting notes and refining palettes. The children reveled in a fabulous day of learning. And yes, they galaxy got to eat the occasional piece of chocolate!

## OUR DAY WITH CHRISSIE GITTENS

Our wonderful day started off with an assembly by Chrissie. She read a few of her poems and told us why she wrote them. It was really inspiring. We all then got to buy some of her poetry books and she even signed them. Then each year 5 class were given a workshop with her. 5C's workshop started off with a word association game which was really fun! We then had to tell her the meanings of a few words and there were quite a few! After this, we read through one of her poems and we had to change some of her words using our own ideas, which was really fun as some of us had never written a poem like that before.

## Hockey girls play two tournaments in one day and three in a week!

On Saturday 8th October, the U10 A Hockey team came an impressive 3rd place in the Rose Hill Tournament. The girls played exceptionally well and Miss Dancy and Miss Wills were really proud of them. The players of the tournament went to the whole team. On the same day, the U11 A team took part in the Hockey tournament at Hawthorns. They came across tough competition but did very well to draw 3 of their games. All girls were commended by Mrs Lowe for their resilient and positive attitudes.

On Wednesday we saw a busy afternoon of tough fixtures for the girls. The highlights were the U10 A winning 3-1 against Rose Hill, U10 Bs winning 1-0. The U13 Bs drew 3-3 against Hawthorns and the U11 Cs had an extremely close game and were unlucky to lose 4-3 to Micklefield.

The U11 A team travelled all the way to Hoe Bridge school in Woking for a tough and exciting tournament. The girls played extremely well achieving 4th place against some very strong schools. Mrs Lowe and Mr Trusler were delighted with their performance.

Well done to all girls this week.

The Tournament Titans, The U11A team. Kept their skills and spirits up!

### **News from the Kitchen**

Please don't forget that the new menus for both Hazelwood School and the Nursery & Early Years are now on their respective websites under The Parents' Sections.

### **Music Timetable**

The weekly music timetable can be viewed on the Music Notice Board outside the Dining room in the courtyard. I will endeavour to have the coming week's music timetable on the notice board by the end of the school day each Friday. Please ensure that your child brings their instrument and music in on the relevant day. It is also important for them to take these books and instruments home when they do not need them in school.

### **Sports Department**

**Match Reports** should be taken to Mrs Greenwood or emailed to her on [headspa@hazelwoodschool.com](mailto:headspa@hazelwoodschool.com) by Friday afternoon ahead of assembly on Monday morning. If your child is nominated as captain, please encourage them to write the report in time for the assembly. The children do like to share their successes with the rest of the school. Thank you.

Congratulations to members of the First XI football team whose silky skills and indefatigable team spirit clinched them a well-deserved third place finish at the Willington 7 a-side U13 football tournament at the weekend. The medals around the boys' necks continue Hazelwood's top flight performance at this most competitive of tournaments. It marks the turnaround of footballing fortunes for the team who are now determined to finish the season on a match winning high!

## Restart a Heart Campaign Free Resuscitation Demonstrations for Adults 12-18 October 2016

Would you like to be involved in a Europe-wide initiative which teaches you the skills to save a life? If the answer is 'yes' then your local ambulance service representatives can help you to be involved.

More than 30,000 people suffer cardiac arrests outside of hospital in the UK every year. If this happens in front of a bystander who starts resuscitation immediately before the arrival of the ambulance, the patient's chances of survival doubles.

By linking with the Resuscitation Council and British Heart Foundation's European "Restart a Heart campaign" hundreds of adults can gain the skills they need to help save a life.

As part of this campaign **Oxted District Community Responders** are running Resuscitation and Defibrillator demonstration sessions for FREE. OPEN sessions during the week of 12-18 October. (One hour – Just turn up)

**St. Peter's Hall, Limpsfield 6:30pm to 10pm Wednesday 12 October**

**Oxted Library 11:30am to 5pm Saturday 15 October**

School groups can be accommodated at local schools. Please call us.

Other adult sessions can be held by arrangement. Please call us.

If you would like your school or community to get involved, sessions can be arranged. Please contact John, Jeremy or Judy from your local Community First Responder group.

**CHEEKY ADVENT CALENDARS**

There's no better way to get into the spirit of the festive season than with an advent calendar. In fact, The Body Shop® was the first beauty brand to pioneer an advent calendar 19 years ago. Highly anticipated every year our advent calendar and the beauty full surprises inside are an increasingly impressive gift. And this year in celebration of that pioneering spirit and our 40th anniversary, we've made it a truly wild offering!

Why monkey around?

Or find me via my kids in years 7 / 5 / 2!
