

Hazelwood School

SAFER RECRUITMENT AND SELECTION POLICY

This Policy includes the Nursery and Early Years Foundation Stage

The safe recruitment of staff and volunteers in schools is the first step to safeguarding and promoting the welfare of children in education. The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is recognised that this can only be achieved through sound procedures, good inter-agency co-operation and the recruitment and retention of competent, motivated employees who are suited to, and fulfilled in the roles they undertake.

The school recognises the value of, and seeks to achieve, a diverse workforce which includes people from different backgrounds, with different skills and abilities. The school is committed to ensuring that the recruitment and selection of all who work within the school is conducted in a manner that is efficient and effective and promotes equality of opportunity. The school will uphold its obligations under law and national collective agreements to not discriminate against applicants for employment on the grounds of age, sex, sexual orientation, marital status, disability, race, colour, nationality, ethnic origin, religion or creed.

In line with the Independent School Standards, Hazelwood has an explicit requirement to promote fundamental British values as part of broader requirements relating to the quality of education and to promoting the spiritual, moral, social and cultural development of its pupils.

The school has a separate policy for visiting speakers which sets out the protocols for staff, in preparing for the visitors time in school and makes clear the expectations upon the speaker to conform to school policies and expectations.

All posts within the school are exempt from the Rehabilitation of Offenders Act 1974 and therefore all applicants will be required to declare spent and unspent convictions and cautions including those regarded as spent and have an Enhanced Disclosure carried out via the Disclosure and Barring Service (DBS). All staff must also complete a Staff Suitability Declaration on joining and will be required to complete a new declaration at the start of each academic year.

The School is committed to ensuring that people who have been convicted are treated fairly and given every opportunity to establish their suitability for positions. Having a criminal record will not necessarily be a bar to obtaining a position. This will depend on the background, nature and circumstances of the offence(s).

The Disclosure and Barring Service has published a Code of Practice and accompanying explanatory guide. This School is committed to ensuring that it meets the requirements of the DBS in relation to the processing, handling and security of Disclosure information.

The school will implement robust recruitment procedures and checks for appointing staff and volunteers to ensure that reasonable steps are taken not to appoint a person who is unsuitable to work with children, or who is disqualified from working with children, or does not have the suitable skills and experience for the intended role.

The following employment checks will be required:
